7. Equipment Rules

The USA Archery South Dakota State Indoor and State JOAD Championships will follow equipment rules set out by USA Archery and World Archery. Archers are responsible for knowing and complying with all equipment rules. Archers not complying with rules of competition are subject to disqualification from event.

For full rules and policies regarding equipment and dress see USA Archery and World Archery USA Archery Rules Page <http://www.teamusa.org/usa-archery/events/rules>

8. Rushmore Cup Competition Format

After archers have shot a qualifying round they will be placed in a bracket and shoot head-to-head elimination matches until a winner is determined.

Recurve and Barebow Set Matches- archers will shoot ends of 3 arrows for set points. Each athlete can score a maximum of 30 points. The athlete with the highest score of the end obtains two set points; in case of a tied score both athletes obtain one set point. As soon as an athlete reaches 6 set points, they are declared the winner and pass to the next round.

Compound Matches- archers will shoot 5 ends of 3 arrows for highest cumulative scores. Each archer can score a maximum of 150 points. The athlete with the highest score passes on the next round.

Tiebreakers- in the even of a tie (5-5 set point tie with recurve and Barebow, or tied score with compound), archers will participate in a one-arrow shootoff. The arrow that lands closest to the center of the target wins the tiebreaker.

9. Dress Code

All participants, coaches, team manager, tournament officials and archer's agents are required to abide by USA Archery's Dress code.

See dress code policy and camo interpretation at <http://www.teamusa.org/usa-archery/resources/forms-and-policies>

Please note USA Archery has determined that we will allow camo patterned equipment at all USA Archery sanctioned events. Camo clothing will not be allowed.

10. Volunteers

Attendants willing to volunteer their time to help with event are greatly welcomed and appreciated. Please notify organizing chair for volunteer sign up. Special consideration given to volunteers that have previous experience working tournaments with set-up, registration, scoring teams, digital scoring systems, field crew, judging or DOS through programs such as Scouts, 4H, NASP, JOAD, or USAA/NFAA/ASA including certified judges.
